Kendo Shiai Notes

Kendo Shiai (competition) or Kendo, meaning "way of the sword", is the japanese martial art of sword-fighting

Kendo is practiced using a shinai or "practice sword"

One point(s) are called "Ippon"

There are 8 target points or "datotsu bui" on the body which earn ippon (datotsu-bui shown in the picture)

In a competition, there are usually three referees, or "shinpan"

To signal a point, the shinpan raise the flag corresponding to the colour of the ribbon worn by the scoring competitor

Practitioners of kendo are called kendoka or "one who practices kendo"

Kendoka use a shout, or "kiai", to express their spirit, and when a strike is performed the front foot contacts the floor in a motion similar to stomping

On page 8, the shinpan calls out "Shomen!" & "Hidari-Do Ippon!" These are 2 of the 8 target points which earn a point
A strike is accompanied by a kiai depending on the hit area

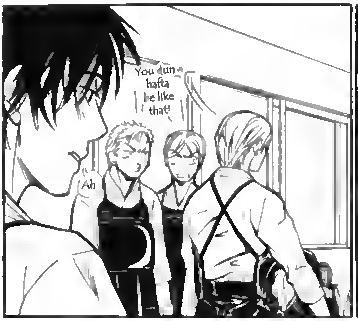
Chapter 01

Is he still in class?!
We arrived too early, Kazumi.
Souichirou-sama. We are meeting the candidate to be your successor. Allocating time is necessary.
Guess we're being pushy...
To the successors and such.
Even though I do not wish for that.

Hidari-do, Ippon!
Do!*
Shomen!
Men!*
MARTIAL ARTS ROOM
*THESE ARE KIAI
No way!! I lost again!!
SHUT UP!!
Even though Akiyuki is so weak, he still gets special treatment!
Man, Nishi- kawa is really strong!

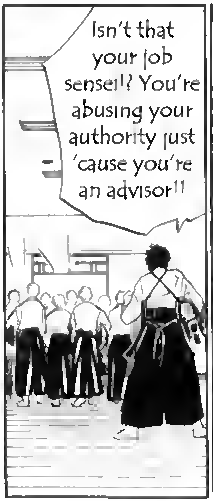
I'm not interested
You're entering the kendo division, right, Nishikawa!! You're good enough for it!
Right?
But I still love him
Still no good?
Why is he so proud?
Can't he just have a little conversation?
Tch
Eternal Dream



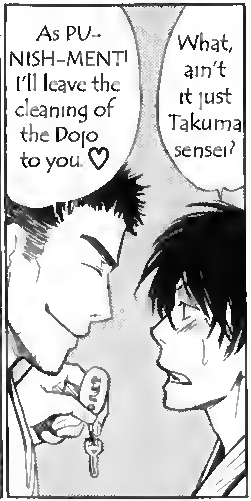
You don't hafta be like that!
Ah
Hmph
You sure are strong, Nishikawa!

You lost again!!! Are you sure you are ready for the kendo division? You Dormitory fee thief you!!
HEY NANRI!!!

Sigh
SFX: LOCKS DOOR



Isn't that your job sensei!? You're abusing your authority just 'cause you're an advisor!!



As PU-NISH-MENT! I'll leave the cleaning of the Dojo to you ♡
What, ain't it just Takuma sensei?

MEN'S LOCKER ROOM
But, what can you do, right?
I mean... although he has a bad personality, Nishikawa is the only one I can feel at ease with.
He is so strong even though he has terribly thin wrists
Nishikawa is a mystery
K—ssh
Eternal Dream

Since you're so weird yourself, isn't that why you feel like this?
Nishikawa...
To clean
Let's use
Even though he's a guy...
Even though he is a boarding school student he doesn't do club activities or have any friends
And he doesn't smile even though he has a pretty face
Rub
I want to ask you. Aren't you lonely?
I want to know what your interests are

Do you do things like this too, Nishikawa?
Ah
I want to know what's inside your mind
Ah
I want to know what kind of guy you are!
Nn...
Whaaa — I came a lot!
I came too much!

Since I'm wearing this sweaty and stinky 'gi', I better stay off the main road.
As it is, it'll be a good idea to return to the dorm
I'll take a change of clothes in my bag.
SFX: STEPS
If I go through this forest, it might be faster.
TL: GI = MARTIAL ARTS UNIFORM
I want to wash my pants as soon as I get back. Should I cut through here?
NO TRESPASSING
Where are you going Souichirou-sama?

Isn't it only a formal greeting to the old man I'll leave that to you
The Headmaster's room is this way
That formality is important, because it is customary
If Kazumi is there, my presence won't be missed
Before I nominate a candidate, I'll go meet him face to face
Custom Assertion
Isn't that system unnecessary? In this day and age

Will I...
One way or another, it makes no difference to me
Are you the candidate?
Refuse you?
This isn't the way to the dormitory
Where does this road go to?
I found the way, but...

!?
This place is so quiet! I love it.
You're early Are you in a hurry?
This is bad. Is he a teacher!?
Is he the watch man!
It is.
It's not it! We never seen his face before, who is this guy? He doesn't look surprised at all!
It's none of your business!

I must have rubbed him the wrong way! I gotta escape!
This is just a joke right!! This guy's just shittin' me!! He's definitely a weirdo!!
Since I am going to become your master
Ma...Master?!
That manner of speech isn't very becoming, and it also seems you've forgotten common etiquette
This time they've sent me an unusual type to decide on.
Decide on...?

As Succession candidate
EEHHH!?
Eh?
HUH!
HUUUUH?!!
I mean, serve as my private pupil
Being by my side, instead of learning our trade...
Doing things – such as being my companion – as well...

He kissed me
What the hell are you saying!!!!
It should have been Nishikawa who I gave my first kiss to!!!!
SPY GUARD
I won't pass forward the information that a potential master has presented himself after all
Only after being trained in the respective department successors get the final seal of approval
What the hell!!! Even though this guys' grip is light, I can't shake him off at all!!!
Eternal Dream

Ah!
Didn't you know?
Didn't I know?! I have no idea what the hell you're talking about!!!
Nn

Tch...
Don't touch me, don't rub me, don't finger me!!!
I just jerked off before
I'm too sensitive... Wherever he touches... it hurts...
SEX RUSHING
Eternal Dream

Stop it! Let me go!!
It hurts.
Not yet.
Ah...
Hah...
Show me your hungry eyes a little more.
If you want me to stop, you have to refuse me more forcefully!
That's why I said I don't understand!!!!
Ah
Ha

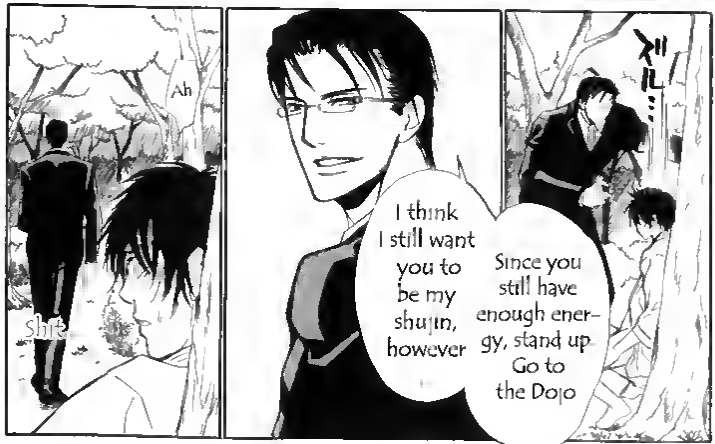
He thought he was playing this way with
Nishikawa!!!
Nishi-kawa ?
Did he confuse me with Nishikawa ?
Now I understand what he meant
Supposing I approve of you becoming the successor ...
This humiliation won't end just with this.
Nishikawa Yuu.
Stop it!! Let go of me!! Does this mean you did this because you like that guy!?
Eternal Dream

I must say that this successor candidate is extremely inexperienced
Sigh
SFX KUR
Nn... Hnah
In addition, your "body defense" reaction seems to have been forgotten
SFX SHAKE SHAKE
Ah
Forgotten he says... It's moving on its own accord! ...Shit!!
You are... interesting

If we didn't have this encounter, I wouldn't have been able to teach you gently
!!
SFX SHOCK
You're not feeling disgraced at all... you're actually feeling pretty good... aren't you?
I'm cu...
I'm cumming!!
Eternal Dream

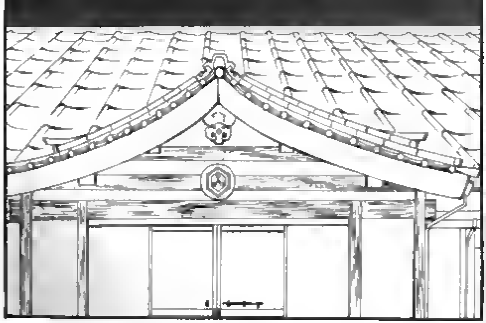
SFX RUB
Stop
putting your fingers in such a place...
If I don't stimulate that place won't you just collapse shamelessly?
Gwah
Even if this is the point where you're feeling it so keenly?
SFX TREMBLE
Shit...!..

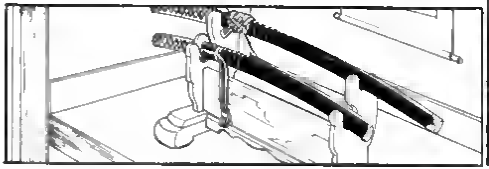
.....!
SEX SPLIRT
To pleasure
SEX STROKE
Ah
Hah
You're weak ...



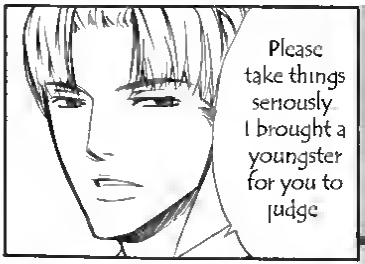
Ah
Shirt
I think I still want you to be my shujin, however
Since you still have enough energy, stand up. Go to the Dojo
TL: SHUJIN = MASTER

Don't have an erection! You should have refused! Aren't you for Nishikawa's exclusive use?!
Energy huh...
My body still hurts... and who the hell was that guy manhandling me 'there'!?
He's gonna be an apprentice! He must not know that guy's a pervert!!
NISHIKAWA WATCH OUT!
SFX: SLAM
"Go to the Dojo"
Does this mean that Nishikawa has an advantage in getting to be close to him?
!
That's right! He mistook me for Nishikawa!
I don't really get it but, is Nishikawa going to be nominated to be a private student of that important looking man...?
Eternal Dream



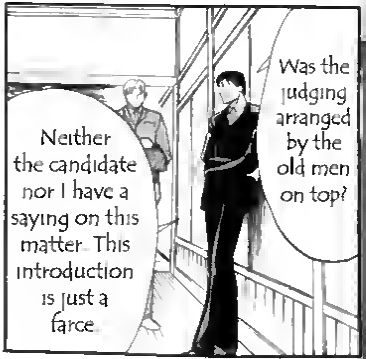


Is that the Dojo?



Please take things seriously I brought a youngster for you to judge

You left to come here before I did, why are you getting in after me?
I just got a little side-tracked on the way



Was the judging arranged by the old men on top?
Neither the candidate nor I have a saying on this matter. This introduction is just a farce

Don't I get Kazumi to do such duties anytime I need it?
That is quite alright, please choose someone to be by your side already
Don't you want for someone to clean your room to be elected already?
And who is the one who has rejected five candidates?
Look at the data!
That is because I hate traditions
NISHIKAWA YUU
I'd like you to look at this boy
What do you mean?
SFX: CLICK
Didn't he come already?
Eternal Dream

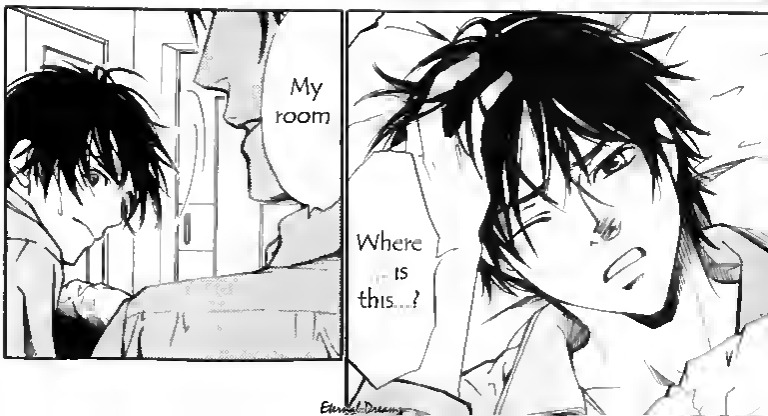
NISHIKAWA YUU
This is...?
!!
You're doing it because you like him!!
If the candidate refuses, too... Won't that change their thinking a little?
The old-men at the top too, are fuzzy about customs
Nishi-kawa Yuu, at your service
He looked good
Although I did not present his duties clearly to that boy

A different person?
Aren't you happy I came?
Tch.
Sou-ichirou sama?
SFX: DOOR SLAMMING
Ah, yes yes.

I missed!
SFX: RUNNING
Don't bother, he's the one I confused Nishikawa with I am sure it will be alright if it's him
An outsider's intrusion? How shall I deal with it?
NISHI-KAWA!!
No, more importantly now...
EH— Why is Nishikawa in uniform?

Are you saf..!? Nishi-kawa!!
I won't let them mess with you!
!!
How shall I deal with this?
Sou-ichirou-sama?
SFX: RUSTLE AND FALL

Uh...
They called that guy Souichirou-sama...?
Nishi-kawa... why?



My room
Where is this...?

AH!!
You're that PERVERT!!!
I'm Nakazato Souichirou, and you are Nanri Akiyuki-kun, isn't that right?
Where the hell is this? Let me go!!
From today on, you will be learning my trade

What the hell. Is this for real? What are you, a Yakuza?
Stop joking!!
TL: YAKUZA = JAPANESE MAFIA

That's not it. But more importantly, although your disposition might be bad...
SFX: STRUGGLE
SFX: STRUGGLE

Assassi-nation trad...
Bad disposition!? So, what the hell does being your 'trade apprentice' mean?
That reasoning is too much to figure out!!
I liked you
ASSASSI-NATION!!
Assassi-nation, Assa... ssi
I knew it, this guys is weird!
Essentially, outsiders cannot become successors Although that is the custom, you made an impression on me

We are the "Sato" clan.
I'll explain it to you, so you can understand.
SFX: STEP
SFX: LOCK CLICK
Anyway, you will be like a live-in housekeeper-butler.
Look after your needs?!
For the time being, you will live here and look after my needs.
I'll... I'll be a live-in housekeeper-butler!? What the hell is that!?

Eternal Dream

Wake up, Akiyuki!
Mm...
I feel something... must be a dream
Are you going to carry out your housemaid duties before making me breakfast?
Guess you don't want to get out of bed yet eh?
Eternal Dream

House-maid...?
Duty...?
!
Um...
Even so, I don't mind.
SFX: PUNCH
SFX: LICK
Is this sensation real?
I feel weird...

Good morning Akiyuki, what will you do?
AH!
WHAAA! It wasn't a dream!!
"You're going to become my maid, ok?"
He kidnapped me yesterday and told me that I'm gonna be his maid
If am to become your play thing, you do breakfast!
Is he for real!?
SFX GRAB
Wait..!
Eternal Dream

What...!?
What the hell is it now!?

You hit the cabinet again?
HUH?
Since it seems that you sleep better on your right side, should I move the cabinet over here?
And yet, this guy...

Weren't you too sleepy to comprehend?
The stuff you said about the assassination house, are they true?
Still, did you sleep soundly?
If it happened, I bet it was when I was going back to the dormitory
I wasn't there on business, I was protecting someone instead
I probably lost though
Did you kill someone "there"?
Calm down, with a gun!?
"When you can't fall asleep, it's the same as reading a book you touch it a bit and calm down."
Protecting, me?!
Eternal Dream

...tch.
Hurry up, and after you finish making breakfast, make the bed... housemaid-kun.
I don't get it!! I'm going to make breakfast!
This isn't a dream? I cannot even understand it!!
Shoot... Where the hell is the kitchen?
It smells like food
What the hell! Breakfast is already made!

You will call that person Souichirou-sama!
Again... It's not possible to call him a "person".
And arrange that disheveled appearance!
You're the one who was with that guy yesterday.
You got up too late.
I knew it; he took me for a ride!!
Isn't he an assas-sin!?
Hurry with preparations, otherwise Souichirou-sama won't arrive to work on time
Shouichi-rou-sama is a person who holds a very important position within the Sato group.
Moreover, appropriate behavior is required from you as a successor.

I think I might have used too big a words to explain, he just hasn't caught up
Am I being sincere, Akiyuki?
EHHHH!?
Good morning Souichirou sama
SEX PILL
My employment with the Sato group is more of a tradition, it is not a means to make a living.
What you might call a front, so to speak
In order to maintain social status, I also have 1200 followers

Foreign Affairs
Nakazato Souichirou

NAKAZATO
Eternal Dream

Kazumi
Choose your manner of speech carefully!
He's got a relatively big company huh? Is that from his assassination gigs!!!!
Yeah, well I got enough of this, my head it's starting to hurt
As you wish
Akiyuki is mine, leave the correcting to me
Is it alright to attend school?
Last night I had your things brought in from your dormitory, they are in the room opposite from the one you slept in
Very shipping company-ish, isn't it!?
Whaa!? School!! I don't have anything to wear!
You been talking for an hour, hurry up and get ready to go to school

For the time being, let's keep my indecent instruction from yesterday a secret, ok?
If you keep that to yourself, the way you've lived up until now won't change.
Stop it, I tell you!!!
SEX PUSH
Going against traditions ...
What are you thinking Souichirou-sama?
If I keep it to myself, you say? Don't you mean I'd be threatened?
Eternal Dream

Since I was confused with Nishikawa yesterday
What cruel eyes he had when we met! Even though I have no idea what the deal is the whole thing it's just stupid!!
NO TRESPASSING
That's right! Nishikawa keeps his coolness even when talking to those in charge.
AH!!
SFX: RUNNING
As it is, I should be giving thanks to that pervert
Better yet! This is my chance to make friends with Nishikawa!
Don't blabber about the Sato Group and Souichirou-sama that easily!

And after I went through the trouble to share the secret with him...
But, I'm getting worried
Tell me what you know Nishiwawa!
.....
!!! Same as always huh?
I feel that I know Nishikawa a little better
Glad?!
Still no good, huh?
But I'm glad I was mistaken for Nishikawa
I have to be thankful that Nishi-kawa wasn't attacked by that guy

I was the one supposed to be given such nomination by Souichirou-sama
Even though I was the top choice for nomination
Even Sato's followers have to work very hard to succeed
Nishi-kawa?
Nanri?
And you came and snatched it away, not having any understanding of what it means
This is the first time I see Nishikawa like this... Even so
SFX CLENCH
This is the first time I see this side of Nishikawa...

I will hold myself proudly
.....
You want to succeed can you calmly kill people?
Next! Nishikawa and Nanri!!
Do you know that being the successor includes having to do all housekeeper matters too?!
There are times when sexual relationships are formed in order to gain connections
...che!!

That's not true!! He did it against my will!!
It is customary to accept!!
Is that the way it's done these days, then? If you're already decided it's like that, you must be an idiot!
What the hell is that about?!
Aren't you in a chatty mood, you unskilled shithead!!
The current successor cannot understand the importance of it. The successor has to fit the role.
Don't talk to me anymore.

He doesn't care about the rules, has he no feelings?!
May we have a little talk, I've gotten permission from your teacher.
Head-master
I just like him, and I don't even know why... Nishikawa.
Hey!! Hurry up and get up, Nani!!
Nishi-kawa Yuu
SEX BANG
Why aren't I suitable!? That bastard is not even prepared and he snatched it away from me!!

SFX: SIGH
Man, now Nishikawa hates me! I guess he's gonna hold a grudge against me, eh
Leave me alone! As long as I do my job properly what do you care?!
Your clothes will get dirty cleaning that way.
And this is the guy who Nishikawa would've had an affair with and even holds a grudge for!
That's why I said I won't wear it!!!
Don't be stubborn, you only have to wear them when you're working.

!
It's just a joke.
Geez, what the hell kind of clothes those are, you pervert!!
Because I wanted to see Akiyuki's response if I forced you.
I like that response, you didn't run neither from my joke nor my haggling

This bastard... This is bad...
I'm just a guy you like to be a pervert with!!
Where the hell are you touching!!??
Li... liar!!
Wha... what!? Don't make a fool of me!!
I'm not, I'm seducing you

If that is the case, then there's no problem, because I do like you
Aki-yuki
That nature of his is so skillful that makes me throb
Stop it, don't move!! ...my leg.
He's making me aroused.
I got wet from playing in the shower

No good, he's making me slip!
Even when your body is approv-ing?
Even when you'll feel good afterwards?
I don't believe the stuff you say, at all!!
What that might be, for ex-ample?
Ah...a

Shit, my head, I can't think straight!
Like...
Like... that you like me...
Usually you don't say it like that.
What the hell!! Where did my self-confidence go?
I say it
Didn't you say it? Not to tell... that we are partners.

Wha... wait...
It hurts, I can't breathe...
SFX: HEARTBEATS
I... I have no idea what that guy's feelings are, I can't say...
Aki-yuki...
SFX: GRAB
All I can hear is his heartbeat...
Even though this guy is irritating...
He feels warm...

Why does something like this makes me feel so calm?
Are we?
As you said, partners?
SFX HEARTBEATS
.....
What are you doing, not there!!!
!!

What am I becoming? ...I definitely don't want to give in...
This playing is making me feel so good...
it's alright ...
Don't think of anything else... just now...
...nn!
Nn
Ah...ah

Looks like your uniform got wet eh
As soon as the hot water gets warm it's ok to go in
SFX: RUNNING WATER
Do you want to go in together?
What about you?
Man, did I make a mistake again...?
What the hell are you planning?!
It's just that, I don't feel like your maid, apprentice or whatever else! This
That's not it!
Eternal Dream

Seems like it, huh?
Are you playing... with me?
No.
I want to lend Akiyuki my power.
In order to reform Sato's customs.
EH?
Up until now, the successor has been elected by those who are on top, regardless of the person in question's will.
Am I imagining things? Maybe not... he looks sad...
This system implemented by the Sato has brought forth much unhappiness.
That's not what you wanted right?

That's why I now have to change the system.
I wanted it
But that's not all there is to it.
.....
What's the matter?
EH? I mean...
At this rate its fine if you stay here.
In order to fill the seat as my successor.
What should I do with the power you'll lend me?
'got it
Ah~...

That guy it bothers me to be attracted to him
But, if I run away, Nishikawa will come here for sure
"Nishikawa" will come to like that guy for sure Even at best of times, he'll blindly believe in him
Although I said it vigorously
I wonder if I can live with such a violent and perverted guy
But he's not the kind of guy who would do something for others
I'm just a little attracted to his style, that's all
WHAT THE HELL!? WHAT'S UP WITH THESE CLOTHES!!!
!
That's it!
Eternal Dream

I took the liberty to leave those clothes for you.
I'll just wear my clothes!!
With this, you're compromising.
Don't move or it won't tie properly
Leave it alone! Don't tie it!!
This guy would definitely put me in maid clothes!
I knew it, he's nothing but a pervert! If I let Nishikawa near him, he'll be in danger!!
SFX: PHONE RINGING

I'm here to report Souichirou sama
Why are we one step from each other?
What is it Kazumi?
!!!
EH?
I present you, Nishikawa Yuu He will be educated as the one who will succeed Souichirou -sama
After lengthily consideration by the officials, I was entrusted with this
Nishikawa!?

If you're worried, you have to but say the word...
Hold on, don't you want to stay while I stop it?
I'M GOING TO SLEEP ALREADY!!
SLAM

Why did I...
I really don't get it...
Think I had to go to where Nishikawa is?
such a...
So that I can tell him...

I might not know what interests children
but tomorrow's duties should not be dismissed, especially over something so trivial
7%
It seems to be important to Aki-yuki...
Why would he think something like that?
It seems I can't wait for him to compose himself
Is Souichirou-sama giving in?
KAOOU
KAOOU
Eternal Dream

Why aren't you sleeping on the bed?
You still haven't sorted out your luggage, have you.
So what if I haven't? It's none of your business is it?
Hurry up and go the hell away!!
I don't want to hear your voice! This is all your fault!!
Akiyuki
It's your fault that I am acting weird...
I don't like it!!
LEAVE ME ALONE!!
Eternal Dream

Akiyuki?

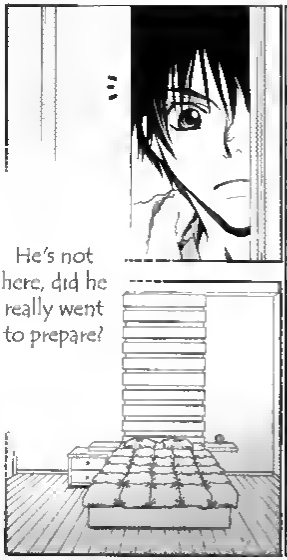
Is it being with me that un-pleasant?

—Why are you my master?

Why did you say such a phrase...?
I can't stop my body from becoming hot
Akiyuki...
AH...
Calling me with that voice...
Didn't you pay me...?
Eternal Dream

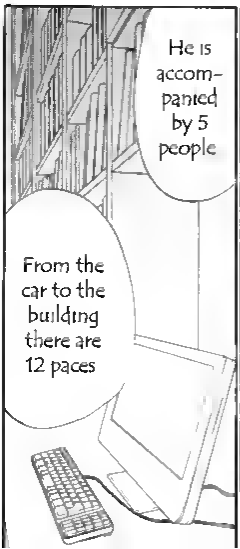
Liar.
tsu
I am...

I'm going to prepare for tomorrow's assignment
Use the bed
Why am I acting like this!!
AM 2:00

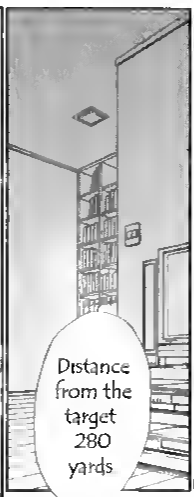


He's not here, did he really went to prepare?

Guess that guy went to bed already
Seems I used the bath after him



He is accompanied by 5 people
From the car to the building there are 12 paces



Distance from the target 280 yards

Then I'm going to savor sleeping by myself

Do it during that time.
Withdrawal route, confirmed.
Back up plan, confirmed.

CLOSE
nn...
He still hasn't come to bed?
Did he lose himself in his studying?

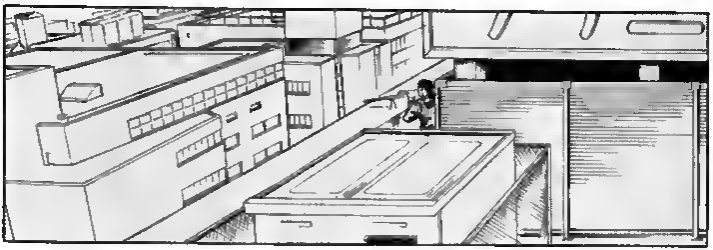
Although, I did leave him just leaves... He'll probably leave me girl's underwear.
He might get in bed naked like yesterday, that pervert!!
Alright! I can't be unprepared!
.....
I don't mind He didn't do anything though
Into those arms on that chest
Didn't pull me
Didn't sleep that time either
P-U-S-H

It's like touching him
These feelings I'm getting, are dangerous
Jeez, you haven't got up? It's late
nn... I know
!

err... Why are you here?
Change your clothes
NISHI-KAWA!
We'll be attending school together. I came to pick you up
Nishikawa!? WHY!!?
Is that so?
Didn't you know? The whole building is owned by the company
Since Kazumi-sama's apartment is two floors down. Is that strange?
That's not it!! So it was the same apartment building!!

He's out on business, Kazumi-sama too
HUH? Where's that guy?
It's not a short term job Haven't you heard anything?
EH? Isn't it time for them to be back yet?
!!
Target has arrived

Yes, yes, I know. I did my homework.
Wind around the building is strong. The current wind speed is...



I haven't heard anything! What do you mean ....

Kazumi-sama said that Nami is just a pet for his entertainment
!
Ah, then what is it that you do here exactly?
Did anything happen? Has he taught you anything yet?
THAT'S NOT IT!!
.....!

It's not your fault
I just want to show my gratitude for you having worried over me
That's why I say this
So you can return to your old life, Nami.
You needn't be concerned over me.
Because Kazumi-sama assured me of my safety

I...
I want to lend my strength to Akiyuki
What should I do?
I'll wait...
for him to come home.
Believe Nishikawa's words rather than his?

Huh?
Since you'll hear the story at school...
Grab
Let's go, Nanri.
Nishikawa, your hand!
Eternal Dream

It's unusual, today you've slipped several times
Although, I am happy that you care, but...
STARTLED
You're holding it
So?
What about my hand?
Do you have a fever?
Manipu-lated?
...che!
I'm not like you, a simple minded, easily manipulated guy!

From Kazumi-san?
Persuasion to return to your former life, will be more effective if you hear it in school
That's not it!! Nishikawa is not bad!
Even though, I naturally, should have become successor
It's easier said than done
MAN, I JUST SOUNDED LIKE A STALKER!
Is ... is that what you feel? ... I'm sorry
But
You make me sick
But... I understand completely, since I've always watched you, Nishikawa!

Nishi-kawa
Your concern really makes me happy
I appre-ciate it
Where are you going?

This stinks like assassin's weird cosplay. It's so in bad taste.
Wow COOL!
It's too big
What's this? A rescue uniform?

I haven't thought of that until now
There was a time when I thought I liked Nishikawa but I guess that's no longer true
Do it thoroughly! Nanri.

So, EH? Doesn't the school decide what experiments we do in class?
Can I work on something ordinary like solid fuel?
Can't even handle regular classes
Especially, the chemistry experiments we have already done.
AH Sato's
Ordinary? We're the ones who'll succeed
.....
...Are you listening...?
If I do it, won't I just get stronger in Budou?
Looks like they're even accepting regular students like you, Nanri, huh
It's a place where the ones who become Sato successors are geared up.
Do you know about Nakazato Academy's operation district?

TL NOTE. BUDOU - MARTIAL ARTS, MILITARY ARTS, BUSHIDO

Junko I thought it was because we've been going out the whole time that you didn't come?

This is Kazumi's desk but ... I hear Kazumi will be out on a trip and will be back around the 21st.
Until we get things straight, should I take a two or three day business trip?

Huh, Nishikawa?!
I haven't heard the details either

Why not the headmaster's office?

Huh
bow
It is of elementary importance.
Is he really fit to be a successor?
HuHI? Kazumi-san is here too Are these guys Soto's big bosses?
It doesn't look like that guy came though

Why am I here?
Is this the one Souichirou has been gearing up? He's the promising one?
Is not as though I have better expectations from Souichirou
President.
If we were to place you under our rule. How do you think we'll treat you?
President!
My intro-duction?
You are Souichirou-sama's intended to be his successor.
This is your formal introduction to be recognized by the Sato.

Is not a hard thing at all Sign with your sacred name
...?
Since you have been officially serving Souichirou-sama, your introduction to the Sato group cannot be helped
A SWO- SWORD!?
Seal it with Blood, he says
Seal it with Blood.
What the hell is this!?
BLOOD SEAL!?
There isn't a need to press for such a thing.
Akiyuki.

Hey, what IS this? I don't get it at all, but—
Ah
Don't worry
!
...?
What was that just now?
You don't have to worry, Akiyuki You and I will go back together

This was your doing, wasn't it? Don't act on your own Kazumi!
That's exactly our point, Souichirou
What are you thinking? Placing an inadequate successor without even an explanation.
Akiyuki's disposition has to be serious if he were to be placed by your side. That step won't change
Isn't better to just say it!? Aren't I just a crash test dummy!
I have decided on Akiyuki
Is he serious...
I don't want this...
Didn't you say this is just antiquated tradition!!

Is that so, Souichirou?
Yes
Is just as we thought
If that is the case, we won't recognize him!!
Cough
It would seem that Souichirou associated with you on his own accord
Is that all?
Your daily life will be under our control. We'll support you economically as well as we'll control your social life.
Of course, If you'd like to associate yourself with him, do so
You came for me and those are the only words you have?

Please, don't make me say it twice.
I have already decided on Akiyuki.
However, if this gets out, it would be an embarrassment to us.
You do understand, don't you?
Those loving words too
I knew it
They were just a master and slave game to you?

you be my
successor?
It s useless,
without
touching his
hand

But, when he says it like that... I can hear it
SO!! Even if I can't hear the reason...
Will you stay with me, in that room?
...in his voice.

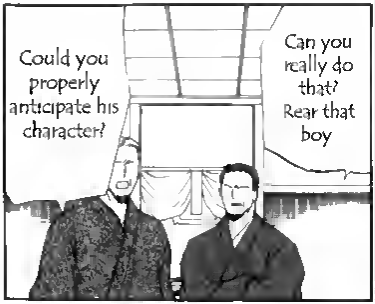
What will you do, Nanri-kun?
Will you push your pupil to seal it in blood, and become your successor?
Do you forget you are under Sato's payroll?

Is it alright to believe?

I...
I won't pass any Blood Trials or stuff like that.
!
.....
Well then, tell us how to swing a sword---
I'm not doing it because it's custom!
I
By your side
It's because I want to stay
Stay

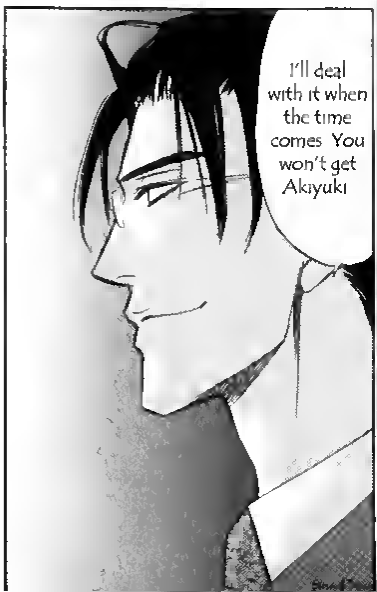
If I do it, I won't be a dummy anymore, and I'll become the real deal.
I want to understand you, your job... everything...!
Akiyuki

If you become an apprentice, without being a successor – that would be fine too
It'll be a new attempt not to get caught up in customs
And I can continue to hold on to his precious hand, too.
So say it
Will you allow such selfishness!!
Maybe I won



Could you properly anticipate his character?
Can you really do that? Rear that boy

If he is the one used by Souichirou-sama, his name will be dragged though the mud



I'll deal with it when the time comes You won't get Akiyuki

I will definitely not turn him in
I will raise Akiyuki myself

We're going home Akiyuki
GRAB
uwhaaa
He's too straight forward he behaves so improperly!
Even more than a successor...
Wait a damn minute!

And I...
Because I like you...

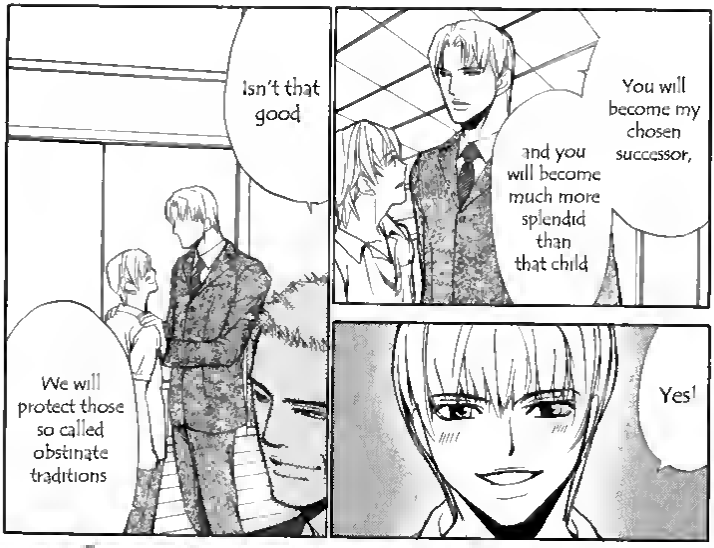
Finally I can have my hands all over you
Grab
He's getting rough.

Although his use of small arms changed by practice...
What does he mean by tradition, what is Souichirou thinking?
.....
I think so...
He still needs to appreciate a sword's soul
You
But...
Even if Souichirou has chosen his partner over us, We will not resent him for it.



Isn't that good
We will protect those so called obstinate traditions
You will become my chosen successor,
and you will become much more splendid than that child
Yes!

Should I leave it alone, should I stop touching?
And I thought I was amazing.
You didn't think what you were saying
PINCH

You don't really want me to leave it alone, nor that I stop touching, right?
Because you're staying on you own volition
In my arms
And that is that
Naturally if you bury your face there

You look irritated... It's rubbing on your chest.
What will you do?

Haven't you had it your way up until now?
That is why from now on we're going to do what Akiyuki wants.

It'll be good if you were like this all along?
Even if it is good just like this

Don't you want to outdo your rival's efforts?

Naturally
I HAVE TO DO ALL THAT!?
After you finish running, preparing breakfast and cleaning after that, go to school

You can drop the act, Akiyuki.

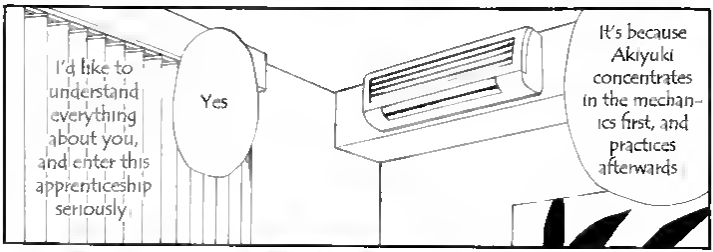
But...
At this point calling him such is embarrassing...
Anyhow, don't you just make me call you like that because you like it?
That's not it
So, is it customary? Even though you said before you hate traditions.
It's so that we remember our mutual position within the chain of command.

To disrupt the organization's chain of command, is a fatal mistake.
Whose command must be always priority should always be clear.

Yes, Sou-ichirou-sama.
Because that is something you need to know, Akiyuki.

Good answer.

I received the report from the drill at the Sato's School
Although your heavy weaponry handling is weak, there is remarkable growth in shooting in such a short term
I was attracted because he shows people his serious face



I'd like to understand everything about you, and enter this apprenticeship seriously
Yes
It's because Akiyuki concentrates in the mechanics first, and practices afterwards

Somehow, I feel as though there's distance more than before... isn't it...
Would you hurry it up, you need to study after
Yes!
What about the bath?
And the cleaning?
